Active Ingredients per 25 gm (.88 oz):

d-Lipoic acid	1,200 mg
Vitamin B1	500 mg
d-Pantothenic acid	450 mg
Riboflavin	35 mg
Niacin	35 mg

Inactive Ingredients:

Natural and artificial flavorings, silicon dioxide, sorbitol

Cautions:

Safe use in pregnant animals or animals intended for breeding has not been proven. If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

For use in horses only.

Recommended to support and maintain healthy muscle function and metabolism.

Lactanase® by Vita Flex supplies ingredients involved in the conversion of products of glycolysis (pyruvate) to acetyl coenzyme A, a key to efficient energy release.

Directions for Use:

One packet equals 25 grams. Blend thoroughly. During daily conditioning give 1 packet for first two days, then 1/2 to 1 packet each day of conditioning or workout. For stress or performance, give 1 packet the evening before an event and 1 packet two to three hours prior to the event.

Warnings:

For animal use only.

Keep out of the reach of other animals and children. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption.
